## Providing Services

- JICT is a government-private fund aimed at supporting the overseas business expansion of Japanese private companies in the fields of **telecommunications, broadcasting, and postal services**.
- Established in November 2015 through a joint investment by the government of Japan and private companies with a fixed duration of 20 years (until March 31, 2036).
- The Ministry of Internal Affairs and Communications (“MIC”) oversees JICT while the Ministry of Finance (“MoF”) is the majority shareholder.
- **Investment method:** common stock, preferred stock, convertible bonds, subordinated loans, etc.
- **Hands-on support:** dispatching board members, coordinating with the government of the partner country, supporting business plans, negotiating with financial institutions, etc.
- The only government-affiliated investment fund specialized in ICT business.
